Another that could be an ambiance of its own if you can put a group together:

From Joe Phelan:

This property is located two miles away from the base lodge on Beadle Hill Rd Jay, Vt. It is the top floor of a two family house, has two master bedrooms with king beds and a third bedroom with two twin beds. There is a large room off the back of the house that can be another bedroom. This room is quite large and has a heated hot tub. There is a large in ground pool that is off the hot tub room that is dedicated to this apartment. To view this property go to Home away.com. Put in #3775482 and it should bring you to the house.

If you have any questions, feel free to call me at 802-323-3863.

## **PHASE 1 and others with existing reservations:**

We've had some fun connecting!

We continue to work with initial Parade registrants to maximize housing by more efficient use of condo's. We are randomly able to open some single backfill spaces & may in coming months have cancellations, but if you don't have a room, please consider a back-up as mentioned above - There is no way to know.

& some of you may have booked into a multi-bedroom condo to get a room, but you have open space. Guess what, others may be interested. If you would like to offer open bedrooms to other PCA guests, please message me. We have joined a number of folks, economizing cost as well as getting more entrants into the Jay Resort property ... & I'm betting some new PCA friendships will be established!

Once I get your message, I will extend an offer to our existing phase I entrants, to let me know if they are interested. I will then connect only these specific entrants to you via email, with phone # per your preference.

Again please reach our housing service for any other room revisions (ex: adding nights).

If you have other questions, I will do my best to reply –

We look forward to seeing you in Vermont in June!
